

Dear Valued Customer,

Congratulations on your purchase of NEWPRO windows. As you may or may not know, you could be eligible for a rebate from your home heating company. You may also be entitled to a tax credit\* through the federal government.

Please follow these simple steps below to expedite your rebate:

- 1.) Obtain a rebate form from your gas company's website (IE: If your gas company is Gas Networks, go to [www.gasnetworks.com](http://www.gasnetworks.com). If you do not have internet access, you can contact your gas company directly and they will send it out to you.
  - a. Include your name & gas account number
  - b. Include the manufacturer information which is **NEWPRO, 26 Cedar St, Woburn, MA 01801**
  - c. Include the model number (listed below) of your window(s).
- 2.) Send your completed rebate form in addition to a copy of your invoice that is signed and dated by your installation team and a copy of the NFRC Energy Rating sticker for each model of window that you have purchased.

If you require any additional assistance, please don't hesitate to contact NEWPRO at (800) 242-9974.
