

# WINDOW SAFETY CHECKLIST

---

**WHEN OPENING A DOUBLE-HUNG WINDOW, OPEN THE TOP WINDOW OUT OF CHILDREN'S REACH.**

**DO NOT PLACE AIR CONDITIONERS IN A WINDOW THAT MAY BE NEEDED FOR ESCAPE.**

**TILT-IN FEATURES ON OUR DOUBLE HUNG WINDOWS ALLOW FOR EASY CLEANING AND ELIMINATES RISK OF INJURY FROM USING LADDERS.**

**WINDOWS WITHIN A CHILD'S REACH SHOULD REMAIN LOCKED.**

**PLACE FURNITURE AWAY FROM WINDOWS TO PREVENT CHILDREN FROM CLIMBING UP AND POTENTIALLY FALLING FROM AN OPEN WINDOW.**

**CONSIDER OBSCURED GLASS OPTIONS THAT ALLOW FOR PRIVACY.**

**NEVER RELY ON THE WINDOW'S SCREEN AS A SAFETY DEVICE.**
